10. (Unclassified - GLC) Called Representative Albert Quie to discuss our problems with the age discrimination legislation. Quie said that Chuck Sherrin, the Minority staff man on the conference committee, was there in his office and he put Sherrin on the phone. I read the proposed language to Sherrin and he said he had no problem with it. He said he would talk to Bob Vagley about it.

25X1A 11. (Internal Use Only - RJK) Cindy Hurley, on the staff of Representative Jerome R. Waldie (D., Calif.), called to ask on behalf of a constituent about the declassification of Agency documents that were a part of the Warren Commission Report on the assassination of President Kennedy. After checking with [REDACTED] ISG, I advised Ms. Hurley that the National Archives, Civil Archives Division, was the responsible office for information on documents contained in the Warren Commission Report.
